

Application for Employment Form

If you have a disability and you require to have this form or submit the information in another format e.g. in larger print or on audiotape, please contact us by writing or telephoning the Human Resources Department on 01223 334904 (or 335072).

Christ's College takes your privacy seriously. We will only use your personal information to process and administer your application. Christ's College processes and stores personal information in accordance with the Data Protection Act, and the College's Data Protection Policy can be found at https://www.christs.cam.ac.uk/college-administrative-information-and-policy-documents

The application form, rather than a curriculum vitae (CV), is preferred to ensure that information is presented in a standardised format and that only the details we require are provided. This ensures that all applicants are treated fairly and equally.

As the information contained on the form is used during the selection process, it is essential that you complete all sections as fully and accurately as possible. If there is not enough space provided on the form, please continue on a separate sheet of paper. On each additional sheet used, write your name and the post applied for, together with the section you are answering. If any section does not apply to you, please write N/A. If you are handwriting the form, please complete it using **black ink** and BLOCK CAPITALS.

Christ's College Equal Opportunities Monitoring Form (optional)

Christ's College is an equal opportunities employer and is committed to treating all job applications on their merits. No applicant will be treated less favourably than another on the grounds of sex, gender reassignment, marital/civil partnership or parental status, race, ethic or national origin, colour, disability, sexual orientation, religion, or age. Ability to perform the job is our primary consideration.

We would be most grateful if you would be willing to share this information with us; your decision to do so is entirely voluntary.

We will use the information collected from this form for statistical and monitoring purposes only so that we can ensure that our equal opportunities policy is applied. Your responses will be used to assess the College's progress towards its diversity and inclusion goals, identify areas that require improvement and help to develop targeted initiatives. Any statistical reports produced by the College will be anonymised and produced in such a way that individuals cannot be identified. We will record this personal information in our HR computer system and recruitment files. Only the HR Department will access these files and will treat it with the strictest confidentiality.

This part of the form will be separated from your application form when we receive it and will not be as part of the selection process or seen by the person undertaking the shortlisting.

Should you be successful and offered a position with the College, the information provided on this form will be transferred into the College's HR and payroll system to allow for easier analysis and for the purpose of monitoring as described above. The information will be added to your personal record on the system which can only be accessed by you and the HR team and can be changed by you at any time.
